CURRENT NEED

We are looking for professionals to volunteer with us to lead one of our Zoom trainings. We have a variety of topics on our list. Currently, our biggest need is an SLP. Email us to find out more and set something up with our team!

KENYA UPDATES

We took a team of 5 to Kenya in July and had a very productive trip! We provided professional development trainings in the communities of Kibera and Kantafu. We enjoyed getting to work hands-on with teachers, parents, and related professionals in our joint efforts to continue to empower the exceptional within their own communities!

WHAT'S NEXT?

We plan on hosting our dessert auction in February 2024 to give it a Valentine's boost! Be on the lookout for the date and location and pencil us in for our 2nd dessert auction. We plan to make this an annual event!

5K OUTCOMES

Our 2023 Empower the Exceptional 5k was a huge success! We had approximately 240 registrants, 40 volunteers, and raised \$9,300 for our mission. Thanks to all who made this possible!
